## **PROFIT ALERT**

This announcement is made by Vanke Overseas Investment Holding Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to the Inside Information Provisions (as defined under the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and Rule 13.09(2)(a) of the Listing Rules.

The board (the “**Board**”) of directors of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 (the “**Period**”) and the information currently available to the Company, it is expected that, without taking into account (i) the change in fair value of the investment properties; and (ii) the change in fair value of investment properties and share of results of associates, the Group will record an increase of underlying profit for the Period of no less than 75% and 215%, respectively, as compared to the Group’s underlying profit of approximately HK\$45.2 million and HK\$30.7 million, respectively, recorded in the unaudited consolidated financial statements of the Group for the corresponding period in 2019. The estimated increase in the underlying profit of the Group excluding the change in fair value of investment properties and share of results of associates is mainly contributed by (i) the interest income on investment instruments acquired by the Group in June 2019; (ii) the net profit generated from an investment property acquired by the Group in June 2019; and (iii) the net profit generated from the asset management services which the Group began providing in June 2019.

The Board also expects that the Group will record a decrease in profit attributable to the Shareholders for the Period of no less than 25% as compared to the profit attributable to the Shareholders being approximately HK\$77.8 million recorded in the unaudited consolidated financial statements of the Group for the corresponding period in 2019. The Board is of the view that the estimated decrease in profit attributable to the Shareholders for the Period is mainly caused by a decrease in fair value of the Group's investment properties.

The Company is in the process of finalising its interim results for the Period. The information contained in this announcement is only based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the Period and the information currently available to the Company, which have not been reviewed by the Company's auditors, and are subject to amendments and potential adjustments. The Group's financial results announcement for the Period is expected to be published in August 2020. Shareholders and potential investors of the Company are advised to peruse the interim results of the Group for the Period to be released in due course.

**Shareholders and potential investors are advised to exercise caution when dealing or contemplating in dealing in the shares of the Company and, in case of doubt, to seek independent advice from professional or financial advisers.**
